Green Slow Mobility running on electricity from Nikko

This is a bus that tours around Nikko's shrines and temples, Kammangafuchi, etc. in about 30 minutes.

Features of Green Slow Mobility

- Eco-friendly because the car runs on electricity
- Quiet driving allows you enjoying conversations even through masks
- The car is well-ventilated because of no glass window
- You can enjoy the streetscape because the car runs slowly at less than 20km

* Bus service may not be available due to weather conditions or vehicle maintenance or inspections, etc.
* For more information on timetables, check the Tobu Bus website.

April 26,2025 (Sat.) Service start
*For information on bus operating dates, check the Tobu Bus website.
